# WHY CHOOSE CHAPMAN?

Founded in 2010, we're one of the newer manufacturers in the machinery world. We often get asked by potential customers why we think our machinery is better than the existing providers, so here are a few reasons why we're great to deal with.

## 2 YEAR WARRANTY

To get to number 1 we strive to produce high quality machinery, and stand by it with an industry leading 2 year warranty

## MANUFACTURED IN GREAT BRITAIN

We are certified Made In Britain members and all of our products are proudly manufactured and hand built at our base in Devon, UK.

## WE INNOVATE

We proudly design each and every one of our machines to feature innovative, unique features, to give you the best user experience.
